And what better way to celebrate the Father's Day season than at NYC's hottest new rooftop bar, Brooklyn Bar? It's the perfect spot for enjoying an exquisite cocktail (while stargazing) after a day of shopping and exploring The Big Apple. The rooftop bar is located at the historic Brooklyn Bridge Hotel and overlooks the Manhattan skyline. For those of you who don't know, Brooklyn Bar is not new. It's the second outpost of The Brooklyn Bar in Chicago. The original opened in 2011 and quickly earned a spot in the top 20 in the Chicago Tribune's Reader's Choice Top Rooftop Bars in 2012. I visited the original bar back in March 2012 and enjoyed it so much I signed up for a VIP Monthly membership. One of the great things about Brooklyn Bar is that I don't need to give myself a passcode to get in the door. It opens the second you enter. The bar is air conditioned to ensure that the rooftop (only in the warmer months) is comfortable. Read all of my posts about
